

**THE WHISPERING RANGER
SATURDAY MORNINGS
WESX-AM 1230 SALEM, MASSACHUSETTS**

**This photo was taken during a closed circuit TV test
between Salem and Boston in 1939 He was "On-Air"
from 1938-1947**

**Mr. Jay Asher was his announcer at that time and
would later become the owner of that station as well as
WJDA-AM Quincy.**

**I went to the station several times and watched him
perform through a large glass window into the
"On-Air" studio and once I got to go inside while his
show was on the Air.**

**I loved to hear him sing and play the guitar both on the
Air and off, he was, after all, my Dad.**
