EQUAL OPPORTUNITY EMPLOYMENT REPORT

WATD-FM currently has eight fulltime employees only two of whom have been hired in the past ten years. These positions and hire dates are:

General Manager 1977
Announcer 1978
Account Executive 1985
Account Executive 1994
Morning News Announcer 2001
Account Executive 2004
Production Director 2011
News Announcer 2016

Since WATD tends to retain its employees for long periods of time we seldom have any fulltime openings although that may change shortly. We are in the process of rejuvenating two silent AM stations in our area and expect to hire five sales account executives, two news people, and probably two announcers sometime within the next six months. When those positions become available they will be posted on this section of the WATD Public File FCC Website.

WATD is an equal opportunity employer. We hire people based on their ability to perform the work which we need done. Race, religion, and gender are not considerations. We offer internship programs to college and high school students in our Massachusetts South Shore Service area and often work with Suffolk University and its students as a participant in their Job Shadowing Program . We provide station tours and participate in both on-line and on-site job fairs sponsored by the Massachusetts Broadcasters Association.

For further information on potential job openings at WATD please contact:
